**PRINCIPAL ACOUSTICS CONSULTANT –
NORTH-WEST REGION**

Cass Allen is looking for an exceptional Principal Acoustics Consultant to drive the growth of our Manchester office.

We are a successful and well-established acoustics consultancy working on some of the most prestigious and challenging projects in the UK with world leading architects and construction professionals. We have grown steadily throughout the last 19 years and have just completed our best financial year ever.

Confident, dynamic and articulate, you will ideally have a minimum of 6 years' experience within a dynamic and high quality consultancy environment.

If you're the type of person we're looking for you will already have a client base of your own and be partly self-sustaining. Entrepreneurial outlook and commercial flair are essential attributes for the role. You will also have demonstrable experience in business and client development.

Remuneration will reflect the nature of the role and there is the opportunity for the right person to be very successful.

Please visit www.cassallen.co.uk for information on the quality and variety of work we do and send your CV in confidence to careers@cassallen.co.uk or call Tim Ives on 01234 834869 if you would like to talk through the opportunities prior to submitting a CV.
